-Approved on 05.06.04; Amended on 06.12.14 , 04.06.15, 18.09.15 and 7.10.16

The CPSA Board of Directors resolved that:

Paper-givers, poster and three minute thesis presenters in our annual Programme (with the exception of specially invited guests) must be members of the association.

Potential paper-givers, poster and three minute thesis presenters who are non-members be invited to join the Association and that if, by the early registration deadline set by Congress and/or CPSA , they have not done so, see their presentation removed from the programme within one week by the Programme Committee Chair.

The following terms apply:

- 1) Specially invited guests of the programme committee will be exempt from the membership requirement.
- 2) All Canadian political scientists in Canada must become members of the CPSA.
- 3) Presenters not residing in Canada who can provide confirmation of a membership in their national association will be exempt from the membership requirement. Co-authors, not residing in Canada, and not attending the meetings, are exempt from the membership requirement.
- 4) For multiple authored papers, all Canadian political scientists must become members. If all or some co-authors are foreigners or members of other scholarly disciplines, guideline 3 will be followed.
