FROM THE ACTING SECRETARY-TREASURER
DU SECRETAIRE-TRESORIER PAR INTERIM

Dear Colleagues,

This note will bring you up to date on the Association's current activities. Should you wish to obtain more information or simply discuss any of the matters raised in this note do not hesitate to get in touch with me or write to Joan Pond.

Vous savez peut-être déjà que notre secrétaire-trésorière Sharon Sutherland a démissionné en novembre dernier et que le Conseil d'administration m'a prié de terminer son mandat. Je voudrais ici remercier Sharon pour le bon travail qu'elle a fait à l'Association.

1. Amendments to the Constitution.

The Report of the Committee to revise the

Constitution (R.K. Carty (Chair), J.P. Gaboury, D.V. Smiley) was approved by the Board in May 1985 and will be presented to the Annual General Meeting. The proposed amendments to the Constitution as you will notice only try to update over Constitution so that it corresponds more accurately to the current practice. You will find both The Constitution currently in force and the proposed amendments on p. 44 and following, of this "Bulletin".

2. Les cotisations à l'Association.

Nous serons probablement et malheureusement tenus d'augmenter les cotisations pour l'année prochaine. Car d'une part, nos coûts augmentent (les salaires, le loyer, notre contribution à la Fédération canadienne des sciences sociales, et not. déficit) et d'autre part, la Société québécoise de science politique vous en fait la

demande. Le Comité des finances fera vraisemblablement, à l'Assemblée générale, la recommandation d'augmenter les cotisations.

3. The Parliamentary Internships Programme

Robert Jackson's term as Director of the Parliamentary Internships Programme is coming to an end of term. Robert Jackson is to be congratulated and warmly thanked for the great work he has done at the helm of the Programme for nine years.

Conrad Winn (Carleton) has been appointed Director of the Programme for a Three year period (July 1986 - June 1989).

The Programme is now actively trying to raise money for the coming years. On page 35 you will find an article on the Parliamentary Internships Programme that we would encourage you to read.

4. Le lobbying est une action que nous devons pratiquer de plus en plus dans la conjoncture actuelle et nous le faisons en collaboration avec les dirigeants de la Fédération.

- Le Conseil de recherches en sciences humaines du Canada

Nous avons fait pression auprès du Conseil pour qu'il ne donne pas suite à certaines recommandations du Rapport du Comité spécial sur les subventions de recherche (Crocker). Ce Rapport, vous vous en souvenez, recommandait entre autres que les demandes de subvention ne soient évaluées que par une personne de l'extérieur et que les évaluations ne soient pas envoyées aux candidats aux subventions. Eh bien vos pressions ont porté fruit. Le Conseil choisira deux évaluateurs de l'extérieur et il enverra aux candidats des commentaires des évaluateurs.

- Le Budget Wilson

Le budget Wilson, comme vous le savez probablement, ne prévoit aucune augmentation au budget du Conseil de recherches en sciences humaines à partir de l'année 1987-88. Le Conseil devra alors aller chercher des fonds auprès du secteur privé et le gouvernement s'engage à lui verser un montant égal à celui qu'il obtiendra des entreprises privées. On connaît mal comment seront définis ces "fonds venant du secteur privé". Nous voulons être consultés avant qu'ils soient définis. Vous nous aideriez grandement en écrivant au ministre Benoit Bouchard (Chambre des communes, Ottawa, K1A 0A6) pour lui indiquer qu'il doit consulter la Fédération et les associations intéressées. Soyez assurés que votre lettre compte.

5. The Annual Meeting in Winnipeg

We hope to see as many political scientists as possible at our Annual Meeting in Winnipeg. I should like to thank the Department of the University of Manitoba for hosting the Annual Meeting and the Department of the University of Winnipeg for hosting the meeting of the Board of Directors.

You will notice that this year you are asked to pay your Association registration fee directly to The Learned Societies. Don Carmichael and his Committee have decided to take advantage of this much less labour-intensive way of handling things. This will mean, however, that there will be no pre-registration process involving free labels and that form of early access to papers. Persons involved in sessions will, as usual, receive early copies from the papergiver responsible. Other persons might try writing directly to the authors, whose academic "homes" are indicated in the Preliminary Programme. Please present your registration receipt at our desk at The Learned in order to obtain you copy of the Final Programme. Our desk will also, as usual, act as "message central" for Association doings at Manitoba.
